

King Edward's Hospital Fund for London

Provision for the Professional and Middle Classes in Pay Beds at Voluntary Hospitals in London making returns to the King's Fund

A classified index of Special Hospitals will be found on page 7.

The figures given are the normal weekly charges. They do not include any medical or surgical fees that may also be payable. In nearly every case one or more of the following specific services, if required, are charged for as extras, either as an addition to the hospital charge, or as part of the medical fee: Anaesthetist; Exceptionally expensive drugs and dressings; Electrical treatment; Light treatment; Massage; Extra nurses; Operating theatre; Pathological examinations; Radium; X-ray.

For detailed information regarding a particular hospital, application should be made to the Secretary of the Hospital.
